

Regular communication between you and the school make partnering to support your child's reading success possible.

## Questions to ask your child's school

What are the reading goals for my child?

What types of support are offered to my child?

What evidence-based reading instruction and interventions are used?

How are you monitoring my child's reading progress?

When will I receive the 10 progress report updates?

How can I support my child's reading goals?
