

# Early Education Program Grants (EEP Grants)

## Purpose

In 2022, the Alaska Legislature passed the Alaska Reads Act, establishing the Early Education Program Grant (EEP Grant). The purpose of the EEP Grant is to support school districts as they develop or improve classroom based early education programs for four- and five-year old students. Grantees work towards implementing the Early Education Program Standards with the intent to qualify for formula funding by the end of the three-year grant cycle.

## Grant Structure

- Three-year grant cycle
- \$3 million total, per year, funded by legislative appropriation

## Eligibility

Any Alaska school district is encouraged to apply if it:

- Wants to develop or improve a classroom based early education program;
- Has an insufficient number of children attending high-quality childcare programs (i.e. Head Start agencies); and
- Has consulted with all high-quality childcare programs (i.e. Head Start agencies) operating within the school district boundaries [Sec 14.03.410(c)].
  - See Form [#05-24-031](#) for consultation guidance
