Instructions to Districts for Sample Income Declaration

Use the Sample Income Declaration for Title I-A & E-rate 2025-2026 shown below (located on the <u>Alaska Department of Education & Early Development Title I-A webpage</u>) in conjunction with the Income Eligibility Guidelines for 2025-2026 (located on the <u>Alaska Department of Education & Early Development School Nutrition Programs</u> website).

The number of family members needed to qualify based on the yearly income is 1 for the lowest level (\$36,168 or less) to 8 for the highest level (\$125,264) in the chart below. If a family has more than 8 members, add \$12,728 for each additional family member.

If the number of family members reported matches the income level on the income guidelines for free or reduced lunch, the children in that family meet the criteria for economically disadvantaged under Alaska regulation 4 AAC 06.899(5) and must be reported in that subgroup in state data collections and assessments.
