Mission, Vision, and Purpose

Mission	Vision	Purpose
An excellent education for every student every day.	All students will succeed in their education and work, shape worthwhile and satisfying lives for themselves, exemplify the best values of society, and be effective in improving the character and quality of the world about them. - Alaska Statute 14.03.015	DEED exists to provide information, resources, and leadership to support an excellent education for every student every day.

Strategic Priorities: Alaska's Education Challenge

Five Shared Priorities:

1. Support all students to read at grade level by the end of third grade.
2. Increase career, technical, and culturally relevant education to meet student and workforce needs.
3. Close the achievement gap by ensuring equitable educational rigor and resources.
4. Prepare, attract, and retain effective education professionals.
5. Improve the safety and well-being of students through school partnerships with families, communities, and tribes.

Note on Title Change: TSI/ATSI

After a more thorough review of the US ED ESSA plan and the AK State ESSA plan it was determined that we have been misusing the term ATSI.

Per the AK ESSA plan, *TSI and ATSI are the SAME STATUS.*

WHAT DOES THIS MEAN?

- ATSI status = TSI status as previously understood
 - Annually designated
 - \$25,000 1003(a) grant
 - Follow the Empowerment Process and make a 3-year plan when designated

Note on Title Change:

The nitty-gritty of it is, when Alaska was creating its state plan, following guidance from US ED, it essentially bypassed the category of TSI, which would have created many more designations, and made the Targeted Support threshold match the lowest 5%, which fell into the Additional Targeted Support and Improvement category, wrapping two categories into one.

It's confusing NOW, but in 2 years we'll have forgotten this ever happened.

Moving forward, TSI/ATSI schools will just be called ATSI.

Designation Timeline - ATSI (2022)

2021/2022 SY - Data

- Data from 2021/22 school year is collected; index scores are established in fall/winter of 2022 using the state accountability system

2022/2023 SY - Planning

- School designations determined and announced based on 2021/22 data
- \$10,000 planning grants received as warranted
- Needs assessments completed and a three-year plan is created, to be implemented in the following years
 - FY24 budget for 1003a is \$25,000 for implementation

Designation Timeline - ATSI (2022)

1

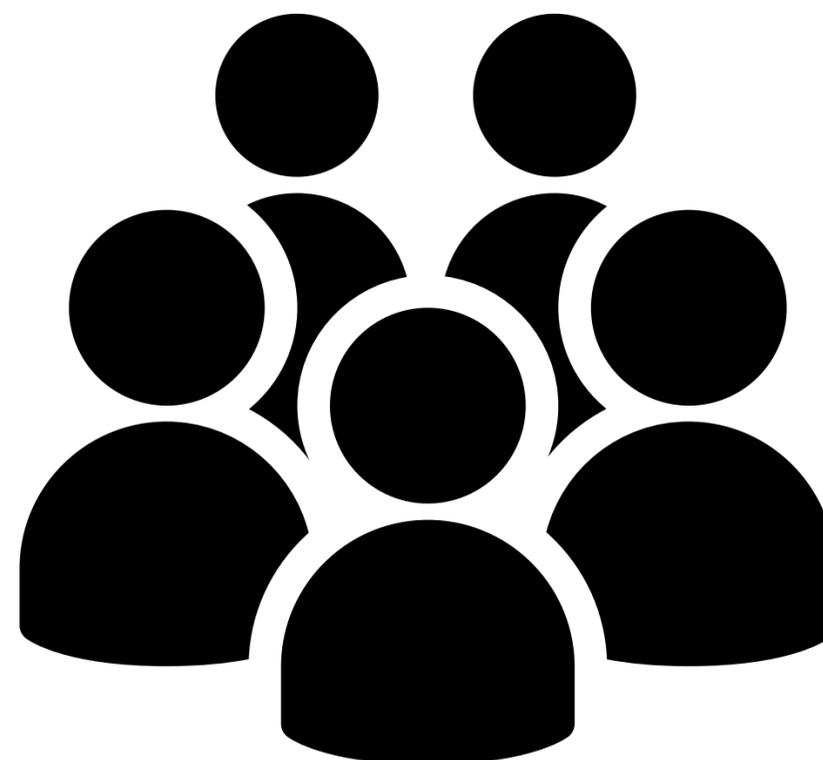

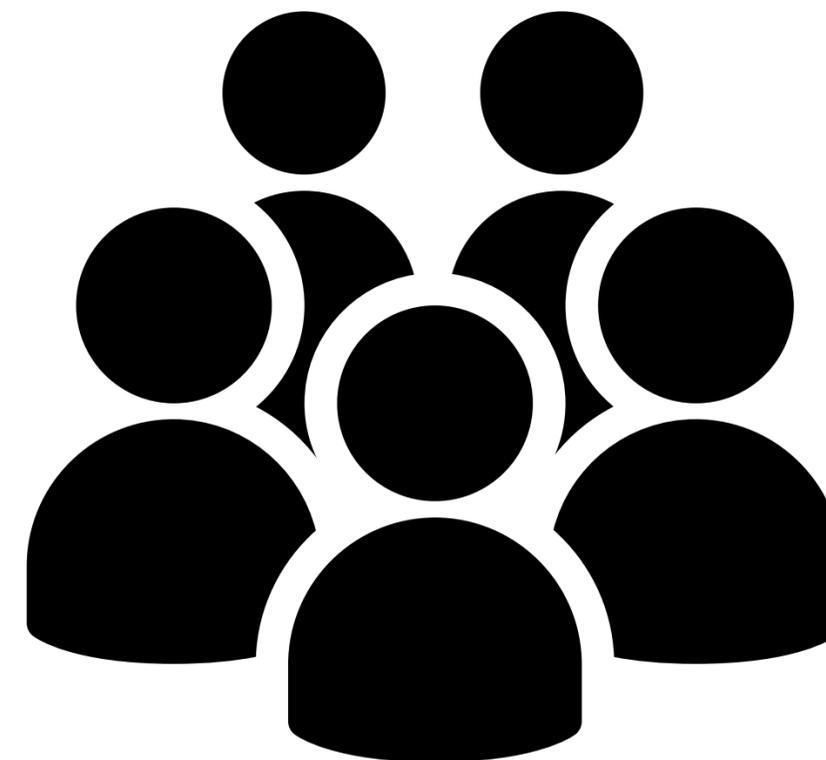

2023/2024 SY - Implementation Year 1/Data

- 1003a funding for implementation and review process received July 1, 2023 (\$25,000 FY24)
- Implementation process to be reviewed and updated as needed
- Index scores from 22/23 data available in late April due to standard setting validation to confirm/refine the cut scores established in 2022
- Designations determined:
 - ATSI schools from 2022 may exit if they show growth and surpass the ATSI performance threshold (5%)
 - Schools at or below the ATSI performance threshold will be designated ATSI for SY 24/25
 - If already designated, continue implementation into SY24/25
 - **If newly designated, needs assessment/planning will not happen until SY24/25**

Note on Title Change: CSI-TSI

After a more thorough review of the US ED ESSA plan and the AK State ESSA plan it was determined that we have been misusing the term ATSI.

Per the ESSA plan, *3 years of designation under the same student group AND Title 1 status = CSI-TSI Designation*

WHAT DOES THIS MEAN?

- Designated annually, opportunity to exit after 3 year implementation process
- \$50,000 1003(a) grant
- Follow the Empowerment Process and make a 3-year plan when designated
- Receive an Empowerment Specialist
