Explanatory Notes: ^ These values for weeks of instruction are the median across your schools and are used in all calculations except the Grade-Level Norms section, which uses the values from each student's school of record.
** Calculations not provided because students have no MAP results in at least one of the terms. The Total Number of Growth Events is zero.
‡ Total Number of Growth Events provided reflects students with MAP results in both the Start and End terms. Observed Growth calculation is based on that student data.
